Objectives and Activities

The objectives of the Scottish Council on Archives are:

- To promote and support the effectiveness and efficiency of archive and records management across Scotland;
- To advance the creation, preservation and archiving of information, culture and heritage;
- To provide and advance education, training, understanding and responsible awareness of the creation, preservation and archiving of records in schools, communities and amongst professionals;
- To encourage greater access to and use of archives by the public;
- To research and assess the social and economic impact of archives and record management services; and
- To work in partnership and through networks in achieving these objectives.

The Council is funded by the Scottish Government to represent and advise its members, and to provide a voice of consensus on all matters affecting the Scottish archives community. It acts both as a strategic agency and as a facilitator of activity on the ground. It supports historic archives in local authority record offices and elsewhere, modern records management and electronic document management, community archives, and activities such as conservation and preservation, as well as digitisation and learning. It also aims to promote archive services to the wider public by delivering and supporting a variety of archive outreach initiatives, publications, conferences and events. In the year under review, the Council also received a substantial grant from the Heritage Lottery Fund, as detailed in the financial statements.

Achievements and Performance

Throughout 2017-2018, the Scottish Council on Archives has continued to look to the strategic priorities identified by our stakeholders to ensure that every initiative carried out by SCA works to further our vision: Leading Scotland's archives and records management community to inspire and inform the nation.

In December 2017, a new Director was appointed to lead on providing strategic direction and delivering robust governance, organisational and resilience policies for the organisation. The Director is also responsible for the progression of the development of a new web portal for Scottish archive collections.

Key achievements in 2017-18 include:

- Delivery of the third and final year of our award winning £513,000 Heritage Lottery funded Skills for the Future traineeship programme. A key objective of the scheme was to diversify the workforce by offering alternative pathways into the archive sector. 18 trainees successfully completed the programme and 70% are now working in the archive sector. An external evaluation of the programme found that the programme successfully met all of its aims.
- Continuing support for the implementation of the Public Records Scotland (Act) 2011 (PRSA) with practical tools - Record Retention Schedules and the ARMS Quality Improvement Framework. A new platform and refreshed content was developed for the ARMS online tool.
- As a partner of the third and final year of the £477,000 Heritage Lottery Funded 'Funding for Archives' project, SCA supported the delivery of a comprehensive fundraising training programme for archivists in Scotland. The programme offered training and mentoring across a range of topics from bid-writing to crowd funding. A suite of freely available fundraising e-learning resources are now available to the archive sector.
- In partnership with Tasglann nan Eilean/Hebridean Archives and the Archives and Records Association UK & Ireland, SCA delivered a two-day Community Archives conference at Lews Castle Museum and Archive in Stornoway in June 2017. The conference featured speakers from a range of inspiring community archive projects and attracted over 80 delegates from the archive sector and local history groups.
- In collaboration with the Business Archives Council for Scotland, SCA published *Enterprising Scotland: A Celebration of Scotland's Business Archives*. The publication was endorsed by Fiona Hyslop, Cabinet Secretary for Culture, Tourism and External Affairs and distributed to MSPs and business leaders. A copy of *Enterprising Scotland* was requested for inclusion in the National Library of Scotland collections.

Achievements and Performance

- SCA continued a partnership with CREATE at the University of Glasgow to provide guidance and training on copyright and related issues. In addition to providing training for the sector, SCA provided representation on the Libraries and Archives Copyright Alliance (LACA) and at the World Intellectual Property Organisation (WIPO) Standing Committee on Copyright and Related Rights (SCCR) in Geneva.
- SCA completed a full evaluation of its education programme from 2012 to 2017. The programme successfully delivered a range of profile raising activities, pilot projects, CPD for archivists and effective collaborations. SCA has now developed a new three-year Education Plan, *Many More Stories, One Scotland: 2018-21*. The new plan will build on the achievements of SCA's previous education and outreach work with an emphasis on engaging with communities.
- Delivery of a refreshed Economic Impact Toolkit and associated training for the archive sector. Economic impact analysis enables archives to demonstrate (to themselves and local, regional and national stakeholders) the value that they add to the local economy.
- Delivery of a Scotland-wide consultation event and workshop to support progress on the 'Towards a Shared Collecting Policy' initiative. SCA is co-ordinating a strategic approach to encouraging dialogue across the sector around collecting policies and related issues.
- Implementation of a three-year Preservation Action plan to support the preservation and conservation needs of archive collections in Scotland. The commissioning and development of Disaster Planning Guidance and Templates for archive services has been a key project in 2018.

Financial Review

The financial statements follow on pages 8 to 13. These statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities and Trustee Investment (Scotland) Act 2005.

Total income in the year amounted to £301,580 (2017 - £304,146) and total expenditure was £268,450 (2017 - £301,958), resulting in net income of £33,130 (2017: £2,188).

There were no significant events in the period which affected the charity's financial position. Total funds held by the Council at 31st March 2018 amounted to £40,715 (2017: £7,085), none of which was held for specific purposes.

Reserves Policy

The Trustees' policy is to aim to hold a level of reserves which is equivalent to four months' running costs, to provide some protection against future income shortfalls or unexpected cost increases. The Trustees are not in a position to accumulate significant reserves because the Scottish Government annual grant is intended to cover the current year's expenditure only. However the Trustees hope that they will be able to accumulate reserves in the future from other sources of income. Unrestricted reserves at 31st March 2018 amounted to £40,715 (2016 - £7,085).

Plans for Future Periods

The Council continues to develop its projects and activities around the six Strategic Objectives set out in its 2016-2019 Corporate Plan. In addition, SCA is developing a series of Outcomes, aligned with the Strategic Objectives, which are measurable and deliverable. The SCA board has agreed to adopt an Outcomes, Activities and Indicators approach to evaluating the impact of its programmes, following guidance and recommendations from Evaluation Support Scotland.

The appointment of a full-time Director in December 2017 was part of long-term strategy to make SCA more resilient both strategically and financially. SCA is committed to exploring partnership opportunities with a wide range of stakeholders and to diversify its outreach and education work, particularly with community groups managing or holding local archive collections.

Risk Management

The trustees adopted a new Risk Register in January 2018 which uses a 'traffic light' approach (Red – 'Alarm'; Amber – 'Concern'; Green – 'Tolerable') to assess impact and risk and offer mitigating solutions. The Register lists a series of potential risks under the six subject headings: Governance and Management; Operational Risk; Financial Risks; Planning and Service Delivery; Partnerships and Promotion; and Compliance Risk (law/regulations).

The Risk Register is reviewed quarterly and updated on an ongoing basis as actions are put in place to mitigate the most serious risks.

'Amber' and 'Red' risks include:

- Failure to identify funding opportunities beyond Scottish Government
- Inadequate reserves
- Dependency on income sources

I report on the financial statements of the charity for the year to 31 March 2018 which are set out on pages 8 to 13.

Respective responsibilities of Trustees and Examiner

The charity's Trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10 (1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the financial statements as required under section 44 (1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

- (1) which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations;have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.
