

# MAPPING OF ARMS TO SCOTTISH NATIONAL OUTCOMES

The Scottish National Outcomes have been mapped against the Quality Indicators for Archives and Records Management Services. Organisations need to exercise some caution in asserting significant contributions to these outcomes, although arguments can be made to demonstrate contributions. Organisations will need to exercise their own strategic judgment as to whether linking to multiple or only a few National Outcomes is desirable.

**SCOTTISH NATIONAL OUTCOMES:** The Scottish Government has identified 11 high-level national outcomes

1. We have a globally competitive, entrepreneurial, inclusive and sustainable economy.
2. We are open, connected and make a positive contribution internationally.
3. We tackle poverty by sharing opportunities, wealth and power more equally.
4. We live in communities that are inclusive, empowered, resilient and safe.
5. We grow up loved, safe and respected so that we realise our full potential.
6. We are well educated, skilled and able to contribute to society.
7. We have thriving innovative businesses, with quality jobs and fair work for everyone.
8. We are healthy and active.
9. We value, enjoy, protect and enhance our environment.
10. We are creative and our vibrant and diverse cultures are expressed and enjoyed widely.
11. We respect, protect and fulfil human rights and live free from discrimination.
